- This product is for adults who would otherwise continue to smoke or use other nicotine-containing products.
- This product should not be used by persons with reduced physical, sensory, or mental capabilities, or lack of knowledge, unless they have been given supervision or instruction to use the product in a safe way and understand the hazards involved.

NICOTINE

- This product contains nicotine which is a highly addictive substance.
- This product is not risk-free. The best way to reduce nicotine-related health risks is to quit nicotine use altogether.
- Some users may experience side effects including: abdominal pain, cough, dizziness, dry mouth, headache, malaise, nasal stuffiness, nausea, mouth irritation, throat irritation, vomiting.
- Nicotine-containing products should not be used by people who have or are at risk of heart diseases, are diabetic, are epileptic, or are experiencing seizures.
- Nicotine-containing products should not be used during pregnancy or while breast-feeding. If you are pregnant, breast-feeding or think you may be pregnant, you should quit nicotine use altogether.
- Switching to this product or other nicotine-containing products may require the adjustment of the dosing of certain medicines (e.g. theophylline, clozapine, ropinirole).

If you have questions about whether you should use this product given an existing health condition, you should consult a health care professional.

IMPORTANT SAFETY INFORMATION

CHOKING AND INGESTION HAZARD

- Keep this product out of reach of children and pets at all times.
- **CHOKING HAZARD** – This product and its accessories contain small parts.
- **INGESTION HAZARD** –
 - If parts of this product are swallowed, seek medical attention immediately.
 - If pods are swallowed, seek medical attention immediately due to risk of nicotine intoxication.
 - If e-liquid is ingested, rinse mouth and seek medical attention.

IRRITATION RISKS

Avoid e-liquid contact with skin and eyes. In the event of:

- Skin contact: wash immediately with soap and water.
- Eye contact: rinse carefully with water for several minutes.
- Contaminated clothing: wash before reuse.

ALLERGIC REACTION RISKS

- Using this product could cause an allergic reaction, such as swelling of the face, lips, tongue, gums, throat, or body, difficulty breathing, or wheezing.
- Stop using this product and seek medical attention immediately if you experience any of the symptoms above as they may indicate a serious allergic reaction.

USAGE AND STORAGE

- Only use VEEV ONE™ pods with VEEV ONE™ device. Never use this product with other devices.
- Do not modify or attempt to refill pods in any way or add any substance to the pods. Doing so may cause injury.
- Use pods promptly once removed from original packaging.
- Store in a dry and clean place at room temperature.
- It is recommended to operate this product in temperatures between $>0^{\circ}\text{C}/>30^{\circ}\text{C}$ and avoid rapid temperature changes.
- For an optimal experience and due to risk of leakage, only use this product in an upright orientation.
- Do not use this product if it has been exposed to excessive cold, heat, or moisture.
- Droplets or traces of liquid may appear during usage, storage,

or unpacking of the pods. Should you see droplets or traces of liquid on a pod or device, without signs of leakage, carefully and thoroughly wipe the residue before use with a dry cloth (including the mouthpiece). Do not use the pod if it is actively leaking, or if any droplets or traces of liquid reappear after cleaning.

- Do not use this product if the pod appears to be damaged, tampered with, broken, or leaking.
- Due to the risk of the pods leaking with altitude changes, it is not recommended to fly with pods that have been removed from original packaging or have been partially used.

REPORTING OF ADVERSE EVENTS OR INCIDENTS

- If you experience any unwanted health effect when using this product, consult a health care professional.
- You can report any adverse event or incident directly by contacting your local Customer Care. By reporting side effects, you can help provide more information on the safety of this product.
- For more information, please go to www.veev-vape.com.

INFORMATION FOR DISPOSAL

VALID ACROSS EUROPEAN UNION, EEA AND UK

This symbol on the product or on its packaging indicates that this product and its individual parts (including batteries) must not be disposed of with your other household waste. Instead, it is your responsibility to dispose of your waste equipment by bringing it to a designated collection point for the recycling of waste electrical and electronic equipment. In addition, waste batteries can be returned free of charge at the point of sale. The separate collection and recycling of your waste equipment (including batteries) at the time of disposal will help to conserve natural resources and ensure that it is recycled in a manner that protects human health and the environment. Disposing of waste equipment as unsorted municipal waste (e.g., by waste incineration or land filling) can have negative effects on the environment and human health. For more information about where you can drop off your waste equipment for recycling, please contact your local city office, your local household waste disposal service or the shop where you purchased the product. The local importer of the product will provide for the financing of the treatment and recycling of waste equipment returned through these designated collection points in accordance with local requirements.
