

# IQOS

This is the safety alert symbol. It is used to alert you to potential physical injury hazards.

ENGLISH

## SAFETY WARNINGS AND INSTRUCTIONS

**PLEASE READ ALL SAFETY WARNINGS AND INSTRUCTIONS BEFORE USE TO AVOID INJURY.**

**These safety warnings and instructions cannot cover all possible conditions that could occur and users should exercise care and caution.**

**KEEP THESE SAFETY WARNINGS AND INSTRUCTIONS FOR FUTURE REFERENCE AS THEY CONTAIN IMPORTANT INFORMATION.**

### **Intended Users**

- *IQOS ORIGINALS™ and HEETS™ tobacco sticks are for adult-use (21+) only.*
- *IQOS ORIGINALS™ and HEETS™ tobacco sticks are intended for use by current adult smokers (21+) who would otherwise continue to smoke.*
- *Children and adolescents should never use IQOS ORIGINALS™ or HEETS™ tobacco sticks under any circumstances.*
- *IQOS ORIGINALS™ or HEETS™ tobacco sticks should not be used by people with reduced physical, sensory, or mental capabilities, or lack of experience and knowledge, unless they have been given supervision or instruction concerning their use and understand the risks involved.*

### **Tobacco and Nicotine**

- *HEETS™ tobacco sticks contain nicotine, which is addictive.*
- *IQOS ORIGINALS™ and HEETS™ tobacco sticks are not risk-free. The best way to reduce tobacco-related health risks is to quit tobacco and nicotine use altogether.*
- *Some users of IQOS ORIGINALS™ and HEETS™ tobacco sticks reported experiencing abdominal pain, chest pain, choking sensation, cough, difficulty breathing, dizziness, dry mouth, dry throat, gingivitis, headache, malaise, nasal stuffiness, nausea, mouth irritation, palpitations, throat irritation, and vomiting.*
- *Nicotine-containing products should not be used by people who have or are at risk of heart disease, are diabetic, are epileptic, or are experiencing seizures.*
- *Nicotine-containing products should not be used during pregnancy or while breast-feeding. If you are pregnant, breast-feeding, or think you may be pregnant, you should quit tobacco and nicotine use altogether.*

- *Stopping smoking or switching to IQOS ORIGINALS™ and HEETS™ tobacco sticks or other nicotine-containing products may require the adjustment of the dosing of certain medicines (e.g. theophylline, clozapine, ropinirole).*
- *If you have questions about whether you should use IQOS ORIGINALS™ and HEETS™ tobacco sticks given an existing health condition, consult a health care professional.*

## **⚠ IMPORTANT SAFETY INFORMATION**

### **⚠ WARNING Choking, Ingestion and Handling Hazard**

- *Keep IQOS ORIGINALS™ and HEETS™ tobacco sticks out of reach of children at all times.*
- *CHOKING HAZARD — IQOS ORIGINALS™ accessories and HEETS™ tobacco sticks contain small parts.*
- *INGESTION HAZARD — If a HEETS™ tobacco stick is swallowed, seek medical attention immediately due to risk of nicotine intoxication.*

### **⚠ WARNING Electronic and Battery Hazards**

## Electrical Risks

Failure to follow these Safety Warnings and Instructions could result in fire, explosion, electric shock, injury, or damage to the product or other property:

- Only Intended Users should use IQOS ORIGINALS™.
- Only charge the IQOS ORIGINALS™ Pocket Charger with the approved IQOS ORIGINALS™ Power Adaptor model supplied in the box or available from your local or online IQOS stores for charging purposes. See the Technical Data section of this User Guide for a list of approved IQOS ORIGINALS™ Power Adaptor models.
- Do not use third-party accessories with IQOS ORIGINALS™.
- Only charge the IQOS ORIGINALS™ Pocket Charger using Safety Extra Low Voltage. See

the Technical Data section of this User Guide for details on voltage.

- Do not use IQOS ORIGINALS™ where the use of electronic devices is prohibited.
- Only charge the IQOS ORIGINALS™ Pocket Charger indoors as indicated by symbol [CPI-RRP-VAR-0952].
- Do not use IQOS ORIGINALS™ or charge the IQOS ORIGINALS™ Pocket Charger and/or IQOS ORIGINALS™ accessories if they are damaged, tampered, or broken.
- Do not use IQOS ORIGINALS™ if its batteries appear to be leaking.
- Do not use, charge, or store IQOS ORIGINALS™ in places with high temperature (such as inside a car in summer, or near heat sources such as radiators or fireplaces).
- Do not use IQOS ORIGINALS™ where flammable materials, liquids and gases are present.
- Never immerse or put IQOS ORIGINALS™ or its accessories in contact with water and/or other liquids. Do not touch IQOS ORIGINALS™ and/or its accessories if they become wet or immersed in any liquid.
- Never dispose of IQOS ORIGINALS™ and/or its accessories with other household waste, as it may enter in contact with water and/or other liquids.

- Do not clean the device with any cleaning agent.
- Clean the USB charging port on the IQOS ORIGINALS™ Pocket Charger periodically to avoid accumulation of foreign matters (such as dust particles), and inspect USB port for foreign materials before using USB connector.
- Disconnect IQOS ORIGINALS™ and/or its accessories from any source of power if it overheats, fumes, ignites, or burns while charging.
- Do not touch IQOS ORIGINALS™ and/or its accessories if they do overheat, fume, ignite, or burn.
- Handle with care. Do not drop IQOS ORIGINALS™ or subject it to strong shock.
- Do not attempt to open, service, modify, or repair any component of IQOS ORIGINALS™ or to replace any of the components or batteries.
- Only use IQOS ORIGINALS™ in ambient temperatures between 32° and 104° F.

## Battery Risks

*IQOS ORIGINALS™ is powered with sealed Lithium-ion (Li-on) batteries. Under normal conditions of use, the battery is sealed.*

- If fluid from leaked battery is swallowed, seek medical attention immediately. Do not induce vomiting or ingest food or drink.*
- If vapor from leaked battery liquid is inhaled, get fresh air and seek medical attention.*
- If fluid from leaked battery is in contact with skin, wash hands and do not touch eyes.*
- If fluid from leaked battery is in contact with eyes, immediately flush with running water for at least 15 minutes and seek medical attention immediately.*

### **⚠ CAUTION** Thermal Burn Risk

*Failure to follow these Safety Warnings and Instructions could result in thermal burns:*

- Store IQOS ORIGINALS™ and HEETS™ tobacco sticks in a clean, dry, cool place.*
- Do not expose IQOS ORIGINALS™ and HEETS™ tobacco sticks to high humidity conditions or direct sunlight.*
- Do not use HEETS™ tobacco sticks that have been exposed to excessive heat or moisture.*
- Do not remove a HEETS™ tobacco sticks while in use.*
- Never attempt to touch the IQOS ORIGINALS™ heating blade.*
- Never use IQOS ORIGINALS™ Holder without Holder cap.*

### **⚠ CAUTION** Allergic Reaction Risk

- Using IQOS ORIGINALS™ and HEETS™ tobacco sticks could cause an allergic reaction, such as swelling of the face, lips, tongue, gums, throat, or body, difficulty breathing, or wheezing.*
- Stop using IQOS ORIGINALS™ and HEETS™ tobacco sticks and seek medical attention immediately if you experience any of the symptoms listed above as they may indicate a serious allergic reaction.*

## EXCLUSIVE USE OF HEETS™ TOBACCO STICKS

- Only purchase IQOS ORIGINALS™ and HEETS™ tobacco sticks from your local or online IQOS stores or other authorized retailers.*
- Only use IQOS ORIGINALS™ with HEETS™ tobacco sticks. Never use IQOS ORIGINALS™ with a cigarette or similar products that are not approved for usage with IQOS ORIGINALS™. Doing so may result in injury.*
- Do not modify HEETS™ tobacco sticks in any way or add any substance to HEETS™ tobacco sticks. Doing so may result in injury.*

## Reporting of adverse events or incidents

- If you experience any unwanted health effect when using IQOS ORIGINALS™ and/or HEETS™ tobacco sticks, consult a health care professional.*
- You can report any adverse experience or incident directly by contacting your local Call Center (details can be found in the Customer Care & Warranty booklet). By reporting adverse experiences*

*or incidents, you can help provide more information on the product*

- *For more information please go to [www.iqos.com](http://www.iqos.com).*

## **Supplier's Declaration of Conformity- 47 CFR § 2.1077 Compliance Information**

### **FCC Compliance Statement**

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception (a) when charging, which can be determined by disconnecting and then reconnecting the device to the charging source, or (b) when in use, which can be determined by drawing on and ceasing to draw on the device, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- If the equipment is connected to the charger, then connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Cease to use (i.e., cease drawing on) the device.

Changes or modifications not expressly approved by the manufacturer could void the user's authority to operate the equipment.

Use only for intended purposes.

## TECHNICAL DATA

### Holder:

*IQOS ORIGINALS™*

*Model A1404*

*Battery type: Li-ion  
rechargeable battery*

*Input: 5 V  1.6 A*

### Pocket Charger:

*IQOS ORIGINALS™*

*Model M0002*

*Battery type: Li-ion  
rechargeable battery*

*Input: 5 V  2 A*

*The IQOS ORIGINALS™ Pocket Charger is marked with the symbol [CPI-RRP-VAR-995] followed by "SxxAxx," which indicates the IQOS ORIGINALS™ Pocket Charger can only be charged using below.*

### Power Adaptor:

*Model: S82A42*

*Input: 100 V-240 V~ 50-60 Hz 0.3 A*

*Output: 5.0 V (input sign) 2.0 A*

*Output power: 10.0 W*

*Average active efficiency: 79.0 %*

*No load power consumption: <0.09 W*

### Use with Charging Cable Type C

## INFORMATION FOR DISPOSING OF IQOS ORIGINALS™

*This product contains a rechargeable lithium ion/lithium polymer battery and should be recycled or disposed of properly in accordance with applicable state and local requirements at the end of its useful life. For additional information on how you can recycle your IQOS products free of charge, call +1-844-275-4767*

*Manufactured by Triaga Inc. 1900 Stantonsburg Road, Wilson, 27893.*
